If seclusion is what you're after, hop aboard a private jet and fly past the International Date Line to Fiji's **Laucala Island**, where a former coconut plantation (bought by billionaire Dietrich Mateschitz, co-founder of Red Bull) has been transformed into a haven of luxury. Everyone from Oprah Winfrey to the Prince of Qatar has holidayed here, though with just 25 thatched bungalows spread over 3,000 acres, chances are you won't bump into anyone—royalty or otherwise.

To recreate a real castaway experience, rent out **Necker Island**, Sir Richard Branson's private Caribbean hideaway. The names that have crossed this welcome mat include David and Victoria Beckham, who celebrated their 10th anniversary here. Book out the entire island for a honeymoon stay and your only company will be the island's flock of flamingoes.

### CELEBRITY CASTAWAYS

**Kajal Fabiani & Gaurav Assomull** flew to Fiji after their wedding in Monaco.

**Katy Perry & Russell Brand** caught the some rays in the Maldives.

**Jennifer Garner & Ben Affleck** worked on their tans in Turks and Caicos.

## THE CASTAWAYS WHO THEY ARE

These pleasure-seekers crave romantic seclusion above all else, and will cross the seven seas to find it. They live in swimsuits (or less), the sound of waves is their lullaby, and being marooned on a deserted island together is their ultimate fantasy.

### WHERE THEY GO

Fancy having your first date as newly-weds below sea level? Water babies will go gaga for the 900 species of fish and 26 coral islands the **Maldives** has to offer. After a manta ray sighting or two, guests at Soneva Fushi by Six Senses are encouraged to leave their flip-flops behind and walk

au naturel along the Indian Ocean sands, in true islander style.

On the other side of the globe in Providenciales, part of the Caribbean's **Turks and Caicos Islands**, beach bums will be sure to fall for the sugary-white sands that line the Atlantic coast. Malcolm's Road Beach is one of the island's best, and the perfect spot for getting naughty in the sun. Cool off in the Amanyara's sleek teak pavilions—the bathtubs sit right on the beach.

For those who want to show off their tans, skinny-dip in the waters of **Bora Bora** in the South Pacific. Aishwarya and Abhishek Bachchan were spotted on the island post-wedding, as were
